48 BERRIES, SEA VEGETABLES, PHYTOPLANKTON & MORE

**Ultimate Daily Greens** is a supreme blend of 48 specially assembled "green foods." Designed to be used by people of all ages - it tastes so amazing that the whole family will enjoy it!

### Top 10 Reasons to Use ULTIMATE DAILY GREENS

Ingredients in our formula are known to:

1. Helps improve measurable antioxidant levels in the blood.
2. Aids in oxygen rich, red blood cell formation.
3. Helps even the hardest working people recover from oxidative stress better.
4. Helps world class athletes recuperate from the hardest training.
5. Significantly decreases the adverse effects of cancer causing free radicals.
6. Helps boost immunity.
7. Helps improve energy metabolism and healthy tissue formation.
8. Helps re-mineralize bones and may reduce risk of osteoporosis.
9. May help reduce the risk of heart disease.
10. Is a higher alkaline (higher pH) nutrition that helps neutralize acid (higher acidic bodies are more prone to disease and have greater difficulty recovering from disease and stress including physical stress from exercise).

#### What is Ultimate Daily Greens?

48 CONCENTRATED Super Fruits, Vegetable & Sea Greens

- Higher in **GREENS** than most other greens formulas (**SO GREEN** you can actually SEE IT!)
- Full **ANTIOXIDANTS** rating on our labels (antioxidants help neutralize Free Radicals)
- Highest **ALKALIZING** (alkalizing greens and minerals help neutralize the damaging effects of acids)
- Amazing **GREAT TASTE** (perfect for everyday use)

#### Cleaner, Safer, Family Friendly - Formulated with

- **NO** soy lecithin or soy sprout (common allergens)
- **NO** wheat, spelt, kamut, oats, barley, rye, triticale, malt (common gluten sources)
- **NO** bee pollen (common food allergen)
- **NO** contra-indicating medicinal herbs (potentially dangerous, especially when used every day by those on certain medications or of certain ages)

#### One Serving of Ultimate Daily Greens Contains

- The **ANTIOXIDANT** levels (measured as ORAC levels) of 7 full servings of fruits and vegetables
- More (8) **SEA GREENS** including Phytoplankton, and **ALGAEs** (the top super food in the Raw Food Pyramid) than virtually every other greens formula
- So much **GREEN CHLOROPHYLL** that you can actually see the difference – equivalent to multiple servings of leafy green vegetables
- The added power of **MACA** (aka Peruvian ginseng), not found in most other greens formulas
- Naturally occurring **MINERALS AND TRACE ELEMENTS** (not normally found in processed food)
- The **PROBIOTICS** of 1 daily serving of yogurt
- And with 48 ingredients the benefits are endless. (For example you could Google / look up what spirulina, or maca alone can do for your body and you would be amazed...)
